Dear Friend,

We are thrilled to announce that this year's Adopt-A-Student Foundation Gala, benefiting the students of Cathedral High School, is being held once again in person on **Thursday, October 27, 2022 from 5:30 PM to 9:00 PM** at the Seaport Hotel in Boston. The dedication and commitment of our generous philanthropic community to providing a life-changing private education to young Cathedral scholars is stronger than ever. This year, as our loyal supporters come together for the first time in over two years, we are eager to share an exciting announcement that will transform the impact of the Adopt-A-Student Foundation for Cathedral scholars over the next century!

We are also pleased to announce that, at this year's Gala, we will be awarding the first ever Adopt-A-Student Foundation Vigor in Arduis Medal, which is Latin for "Strength in the Face of Adversity." This medal is the highest honor ever bestowed upon any individual by the Adopt-A-Student Foundation. Named in honor of the school founder, William Cardinal O'Connell, the Vigor in Arduis Medal recognizes individuals within our community who have inspired us with their generosity of spirit, volunteerism, leadership, philanthropy, humility and service, and whose work has profoundly influenced the progress of Cathedral High School for the last 100 years.

**We look forward to recognizing this year's Vigor in Arduis Medal recipients, Dorothy and John Remondi (CHS '54) and Genevieve and the Late James D. Murphy (CHS '66).**

The unwavering faith of these individuals in Cathedral High School and their selfless dedication to advancing its educational mission is the foundation for the past and future success of our scholars. Their receipt of the first ever Vigor in Arduis Medal highlights the commitment of both families, and magnifies the ambitious and promising future of Cathedral!

We hope that you will consider making an investment for the benefit of Cathedral High School by joining us as a sponsor for this year's Gala. Your sponsorship will be earmarked solely for student tuition and will enable life-changing opportunities and financial assistance to 100% of our inner-city scholars.

On behalf of the fantastic students at Cathedral 7-12 High School, thank you for your consideration and support. We look forward to celebrating with you in October.

Sincerely,

Paul Chisholm  
Adopt-A-Student Foundation Trustee
