Dear Friend,

We are thrilled to announce that this year's Adopt-A-Student Foundation Gala, benefiting the students of Cathedral High School, is being held on **Thursday, October 26, 2023 from 5:30 PM to 9:00 PM** at the Seaport Hotel in Boston. The dedication and commitment of our generous philanthropic community to providing a life-changing private education to young Cathedral scholars is stronger than ever. We are eager to get together and share exciting updates and tell you more about how your support of the Adopt-A-Student Foundation impacts Cathedral scholars.

We are also pleased to announce that, at this year's Gala, **we will be awarding the Vigor in Arduis Medal to Janet Richards Daley '55 and Mike Daley '54 for their long-term commitment and generosity to Cathedral High School.** This medal, recognizing "Strength in Adversity" is the highest honor ever bestowed upon any individual by the Adopt-A-Student Foundation.

The unwavering faith of these individuals in Cathedral High School and their selfless dedication to advancing its educational mission is the foundation for the past and future success of our scholars. Their receipt of the Vigor in Arduis Medal highlights the commitment of their family and magnifies the ambitious and promising future of Cathedral!

We hope that you will consider making an investment for the benefit of Cathedral High School by joining us as a sponsor for this year's Gala. Your sponsorship will be earmarked solely for student tuition and will enable life-changing opportunities and financial assistance to 100% of our inner-city scholars.

On behalf of the fantastic students at Cathedral 7-12 High School, thank you for your consideration and support. We look forward to celebrating with you in October.

Sincerely,

Paul Chisholm
Adopt-A-Student Foundation Trustee
