Dear Friend,

I hope this letter finds you and your loved ones well. As we approach what feels like an almost normal spring, I hope you are looking forward to the golf season. I know I am!

While the last two years have been challenging, the Adopt-A-Student Foundation's commitment to supporting the students of Cathedral High School (CHS) is stronger than ever. To that end, we are happy to confirm that the **21st Annual Adopt-A-Student Foundation Golf Tournament** will be held on **Monday, June 13, 2022** at the Salem Country Club in Peabody, MA.

Funds raised at the Golf Tournament support scholarship assistance for the students of Cathedral High School. For 96 years, Cathedral has been dedicated to the personal well-being and academic advancement of its students. The Adopt-A-Student Foundation ensures that no student is turned away from Cathedral due to lack of means. Cathedral High School gives out approximately \$5.6 million in financial aid annually. Your participation and support will help create life changing opportunities for these very deserving students.

I hope you will consider making your mark on the Cathedral community by participating in this year's tournament. Your support will make a daily difference in the lives of Cathedral students. **The enclosed pages provide more details and offer opportunities for you and your company to participate.** Your contribution, or that of your firm, will be generously acknowledged.

I look forward to speaking with you soon. Should you have immediate questions, please contact our event coordinator, Caroline Strouss at Conventures, Inc., at cstrouss@conventures.com or 617-204-4256.

Thank you so much for your consideration and continued support. We hope to see you at the tournament in June.

Sincerely,

Ron Rodericks
Chairman
