CATHEDRAL
7-12 HIGH SCHOOL • BOSTON

Cathedral High School is a Catholic, urban, and coeducational college preparatory school committed to excellence and social justice.

Within an environment that encourages our scholars to reach their full potential, Cathedral students are expected to make lasting and powerful impacts in their local, national and global communities. Our mission, since our establishment in 1926, is to deliver a rigorous and holistic education that is available for all families, regardless of ability to pay. Rooted in Gospel values that include compassion, respect and service, we embrace the rich diversity of our community and foster a culture of inclusion, opportunity, acceptance and empowerment.

The Adopt-A-Student Foundation is the fundraising arm of Cathedral, and it is designed to ensure that no student is turned away due to lack of means. The families of our young scholars cannot afford the full cost of a private education, so financial assistance is provided to all students through the incredible generosity of the Boston philanthropic community.
