

20th Annual Adopt-A-Student Foundation

Proceeds from the Adopt-A-Student Foundation Golf Tournament benefit Cathedral High School

Cathedral High School is a multicultural, college preparatory Applied Learning school serving approximately 300 students in grades 7 through 12. Cathedral provides students of all economic and faith backgrounds with access to a high quality, values-based education.

The Adopt-A-Student Foundation is the fundraising arm of Cathedral, and it is designed to ensure that no student is turned away due to lack of means. The families of our young scholars cannot afford the full cost of a private education, so financial assistance is provided to all students through the incredible generosity of the Boston philanthropic community.
