

Dear Friend,

It is an exciting and inspiring time to be part of the Cathedral family! **Our enrollment is thriving, up over 25 percent in three years.**

Our academic program is pushing students to their limits, tripling our Advanced Placement offerings, and challenging our scholars with culturally enriching and relevant content. Our Guidance Department is introducing a new support system for students, designed to broaden our already impressive track record of college options for our scholars, while supporting them socially and emotionally throughout their high school journey. And our faculty, during a time where so many educators have had their spirits dampened over the past two years, have come back with an energy and passion for Cathedral students that radiates throughout the building! It goes without saying that there is a collective feeling of gratitude and pride to be part of the Cathedral family!

**Of course, none of the magic that happens at Cathedral on a daily basis is possible without the loyal, impassioned, and steady support from YOU!**

I see this support manifested on the faces of students who become Cathedral Ambassadors; in the actions of our athletes on the field; through the compassion our students display toward their

peers, friends and neighbors; and in the relief our scholars feel to join a community every day where **they are safe, prepared, challenged and loved.** While you may not physically see the result of your support, it is alive and vibrant every single day at Cathedral!

This year, as we commence our 96th academic year, we eagerly anticipate a historic year for our community! As we look ahead to the limitless opportunities that our students will experience, and the undeniable accomplishments they will achieve, Cathedral has launched an annual fund goal of \$600,000. **Your donation of any size to the Cathedral Fund directly impacts and empowers our scholars to have access to opportunities that would otherwise be out of reach, and to become leadership ready, college ready and life ready!** *You are literally changing lives.*

Please keep our scholars in your thoughts and prayers as they begin the 2022-2023 school year, and please consider donating today to this year's Cathedral Fund.

God Bless,

**Senior, Harrison Grandchamps,** put it best, "I love that I get to share my beautiful culture with a community that is open, compassionate and there for you when you need them the most. It is through that openness and diversity that I am inspired. I cherish our moments as scholars, getting to embrace who we are and infusing our faith into our educational experiences. ***Cathedral is not just building strong scholars. Cathedral is building good people.***"
